

Join the Tuffman Team – Mechanic

Company Summary

Tuffman Equipment Rental & Supply is a family-owned business with more than 20 years of experience in providing reliable equipment, tools, and supplies to contractors, municipalities, and homeowners. Serving the construction and site utility markets, we deliver solutions that keep projects safe, efficient, and on schedule. Our employee-first culture invests in our team so they can provide exceptional service and build lasting partnerships founded on trust and service.

Position: Mechanic

Location: Sandusky, OH

Position Summary

We are seeking a skilled and dependable **Mechanic** to perform inspections, preventative maintenance, and repairs on small to mid-size equipment. The ideal candidate has a solid mechanical foundation, strong diagnostic skills, and a commitment to keeping equipment in peak operating condition. This role plays a key part in ensuring the reliability, safety, and efficiency of our rental fleet.

Key Responsibilities

- Perform basic maintenance and repairs on small to mid-size rental equipment (e.g., compact loaders, generators, trenchers, manlifts, booms, and telehandlers).
- Inspect equipment for wear, damage, or safety issues and complete service reports.
- Assist with loading/unloading equipment and supplies safely.
- Conduct preventative maintenance, including oil changes, fluid checks, and filter replacements.
- Troubleshoot common mechanical issues under supervision or with guidance

Qualifications

- High school diploma or equivalent; current student, recent graduate or those with technical/trade training are encouraged to apply.
- Basic knowledge of small engines or equipment maintenance and repair.
- Ability to use hand tools, power tools, and diagnostic equipment.
- Physical ability to lift and move parts or equipment as needed.
