Join the Tuffman Team – Mechanic

Company Summary
Tuffman Equipment Rental & Supply is a family-owned business with more than 20 years of experience in providing reliable equipment, tools, and supplies to contractors, municipalities, and homeowners. Serving the construction and site utility markets, we deliver solutions that keep projects safe, efficient, and on schedule. Our employee-first culture invests in our team so they can provide exceptional service and build lasting partnerships founded on trust and service.

Position: Mechanic **Location:** Norwalk, OH

Position Summary
We are seeking an experienced and highly skilled **Mechanic** to perform advanced maintenance and repairs on mid- to large-size construction equipment. This role requires expertise in diagnosing complex issues across mechanical, hydraulic, and electrical systems, with a strong focus on safety, reliability, and keeping equipment in peak operating condition to meet customer demands.

Key Responsibilities
- Diagnose and repair complex issues on mid- to large-size construction equipment (e.g., excavators, backhoes, and boom-lifts). Inspect equipment for wear, damage, or safety issues and complete service reports.
- Perform advanced preventative maintenance, including hydraulic, electrical, and diesel systems.
- Work autonomously to troubleshoot, diagnose, and repair equipment issues with minimal supervision.
- Operate & maintain company owned mobile service vehicle.

Qualifications
- High school diploma or equivalent; technical/trade training preferred.
- CDL preferred but not required.
- Proven experience as a heavy equipment mechanic with advanced knowledge of hydraulic, electrical, and diesel systems.
- Strong diagnostic and problem-solving skills with mid- to large-size construction equipment.
- Physical ability to perform hands-on repairs and maintenance on large equipment.
